Mr N Sherwood left the room at this point. Council then discussed the fresh application for the demolishing and re-building of the property Park Lea Barton Road Wrawby. The Chairman advised council that the new proposal differs from the previous one quite significantly and that the reasons for refusal of the previous plans have been addressed. After lengthy discussion, Council felt that out of courtesy, all the people who had lobbied Council on the matter previously, should be consulted and everyone's opinion on the new application sought. The Clerk will attend.

After concluding discussions on the Park Lea application, Mr Sherwood returned to the room.

A quotation of £550 + vat has been received for re-lining the bays on the Village Hall car park. This will go ahead.

With regard to the replacement ceiling and light project, the Chairman said he had been in touch with Singleton Birch to ascertain whether they can provide grant assistance. Singleton Birch has told the Chairman how to proceed and further progress with this will be advised in due course. If no such grant monies are available, then it may be that a Public Works Loan Board loan will be applied for to complete the work.

**ACTUAL/BUDGET LIST**

The Clerk presented the update expenditure details which showed councillors that everything was on, or better than budgetted.

**FIRE DOORS**

The Chairman had joined members of the Village Hall team and looked again at the fire doors in the Village Hall.
